

# 2010 Accommodations Directory

Finding accommodations at Chautauqua is now easier than ever. Visit [www.ciweb.org](http://www.ciweb.org) to see how.

2010 Season: June 26 – August 29

Subject to Change

Many types of accommodations are available at the Chautauqua Institution, from new luxury condominiums to the rooming houses and inns reminiscent of Chautauqua's early days.

All accommodations listed are privately owned and operated. The owners have provided the descriptions in this directory and must be contacted directly for any additional information or reservations. Accommodations are sorted by type and are then listed according to rate (lowest in price to highest in price).

Please note that you must buy gate tickets along with a parking pass in addition to making arrangements for your accommodations.

## There are two important steps to planning your visit to the Chautauqua Institution:

**1. SECURE ACCOMMODATIONS:** All properties are privately owned and must be contacted directly for availability and booking. Many property owners also list their properties and availability at [www.webervations.com](http://www.webervations.com). You can link to this site through the Chautauqua Institution Web site ([www.ciweb.org](http://www.ciweb.org)). If you need assistance accessing Webervations, you can call the box office at 716.357.6250. Please note that accommodations cannot be booked through the box office.

**2. ORDER YOUR GATE TICKETS:** Anyone staying on the grounds of the Chautauqua Institution must purchase a gate pass valid for the entire length of his or her stay. Children 12 and under are free and do not need a gate pass. Seniors 90 and older are free but must obtain a complimentary pass. Proof of age must be provided upon request. All passes and tickets can be ordered through the box office at 716.357.6250 or online at [www.ciweb.org](http://www.ciweb.org).
