## **Piano Tuner-Technician**

Chautauqua Institution, a Steinway-designated festival located in Western New York State, seeks a piano tuner-technician for its summer season of 10-12 weeks. Position responsibilities include tuning and maintaining approximately 90 pianos for the school of music, orchestras, opera, ballet and all other scheduled programming. Ability to tune at RTT level of the Piano Technicians Guild is required as well as strong voicing and regulating skills. Experience in concert preparation is essential; and experience in a conservatory or university setting is preferred. Steinway training is a plus.
